Set up	5:45-6:15
Performance	6:15
Finish by	7:00

04/11/22 (Mon) **Winter Drumline/Guard Performance** in JCHS Gym. Time TBD (after school)

Scott stated that they are tentatively looking at Sun 5/8 (Mother's Day) for Aloha Concert @ JCHS Gym. Board expressed concern about participation challenges on that day. Possibly 5/6 (Fri) evening instead. Directors will check with admin regarding availability.

Board discussed holding Band Banquet on 5/15 (Sun) possibly @ Hale Koa. Looking into luncheon or dinner. Board discussed activities at banquet such as students design a short program, students can entertain in small groups, will say goodbyes to our Seniors. In the past directors have handed out awards (trophies) to students. There can be a photo booth, DJ, opportunity to dance. Scott suggested the possibility of a live brass band.

Jason stated current funds in our bank account as of today are \$22,325.14
There will be an additional transfer from PayPal in the amount of \$800.25
Also an additional \$738 in drop box payments to deposit.
Total account balance will be \$23,863.39 after all deposits.

Jason will reserve the Penske trucks needed for 4/3 and 4/6 (1 truck for each day). He also requested reimbursement for the purchase of the Booster payment drop box and magnetic bin for \$155.58. He also requested reimbursement for the oboe clinician fee he paid in the amount of \$100. Board approved both these reimbursements to Jason.

Scott requested assistance from the board in contacting students by phone who submitted a band interest form, but not a commitment form. Directors have a script to follow. They will relay the list when ready.

As of yet, the district office has not approved the release of funds for travel for our DC Trip in 2023. School admin has approved the trip and has stated the district office will provide the \$1500 down payment to secure our participation. Scott has informed Music Celebrations of the delay. Board has set a deadline of May 1, 2022 for funds to be distributed from district office. If not by then, Boosters will send payment from their funds to secure parade and trip.

Directors are still collecting MB uniform sizing forms from students. Jason will bring sizing forms that he has tomorrow to band directors. Once forms are collected, additional MB coats will be ordered by the end of this month.

Meeting adjourned at 7:51pm.
