Directors stated that after meeting with Principal Lee and the registrar's office, no significant changes will be made to the band schedule for this year or next. Directors have been receiving feedback from students on their preferences.

Directors are looking into a possible concert performance to be recorded over fall break. Still working on details and researching media resources. Also looking into possibly renting an indoor facility for Winter Concert performance, dependent upon whether an audience is permitted to attend.

Directors are still waiting to hear specifics regarding marching band festivals.

Lynette would like board to send out a request to parents looking for volunteers to help sew color guard uniforms. She will relay more detailed information regarding specifics on the design after discussing it with Jasson.

Abby has been receiving payments per PayPal and will keep a spreadsheet of payments received. Board is in the process of updating all band student's Charm's accounts. Board is continuing to collect paperwork from students regarding Charms info and sizing info for marching band uniforms. Students are still turning in forms for ordering polo shirts. Board will also purchase an extra supply of these to keep on hand. Board will need to begin determining and assigning current stock of mb uniform pieces for distribution to students.

Nancy and Jason discussed the need to order marching band pins for this year's mb students. Will also need to distribute last year's pins at the same time, preferably at first marching band festival. Scott will provide an approximate headcount of each grade level for ordering purposes.
