Meeting called to order at 6:40pm.

Barb is verifying with bank regarding who is authorized on the signature card for the trip fundraising bank account and will let Jason know, in order to proceed with the funds transfer.

Jason is working on the draft for the welcome letter to parents. Board discussed getting waist sizes for bibbers and shoe sizes from MB students. Will gather information, but will hold off on ordering until a more concrete MB schedule is finalized. Bibbers can be shipped quickly, but shoes may take longer. Shoes could also be worn with the pep band uniform.

Jason will check with Abby regarding any online polo shirt sales. All mellophone mouthpieces have been picked up and Jason has been reimbursed.

Directors stated they have pop up tents to shade students during practices. They do need rope to secure tent, if anyone has any to donate. Nancy stated she may have some.

Directors are meeting with Principal Lee on Friday to discuss the possibility of moving concert and symphonic band to a daytime band class next school year. Marching band practice would still remain after school. Directors would appreciate letters from parents to support this change. They stated that most high schools in our state offer these classes during the school day and they feel it would benefit the student's schedule and make their time at school shorter. It would also enable students to be more involved in other clubs and activities after school. Nancy is drafting a letter on behalf of the Booster Board to support this and other parents are encouraged to submit letters also.

Board agreed to meet again in two weeks on **Wednesday, September 8, 2021 at 6:30pm.** Nancy will send out a reminder and link prior to meeting.

Meeting adjourned at 7:37pm.
