Via Google Meet

Present: Matthew Yamada, Band Director Abby Rosacia, Treasurer
 Scott Eriksen, Band Director Lynette Petty, Color Guard Advisor
 Jason Higashionna, President Nancy Lord, Secretary
 Heather Morgan, Vice President

Meeting called to order at 6:33pm.

Matt stated that instrument distribution was going well. He is still waiting on the approval for the purchase order for the bell cover material.

Abby stated that the mouthpiece she ordered for a student has been received and she will provide a receipt to give to student upon his cash payment.

Board discussed marching band pin distribution. Jason stated that he has received requests from parents about whether marching band students will still receive their marching band pin for this missed season. Jason asked Matt and Scott if there was some type of assignment that students could complete so that the marching band students could earn their pin. Jason stated that he wanted to keep the marching band kids engaged so that they don't drop out next year. Matt suggested holding off distribution until at least until next semester because there may be a parade that they could do to earn their pin or they would come up with an assignment. The conversation then turned to whether all the band kids (concert too) should get a pin since this band year is challenging. Jason stated it is about \$1 per pin and that he would check to see how many pins he had. Heather stated that if we agree that all kids are going to get the pins, then the marching band students should get the one for their year and the rest of the band kids would get the first year pin to make a distinction, but keep it equal. Jason stated that the Board will visit this issue again in the future and that he is open to suggestions.

Board agreed to meet again next **Wednesday, September 16, 2020 at 6:30pm.**

Meeting adjourned at 6:54pm.
